Application No. 10/086,792 Annualment "B" dated December 1, 2005 Reply to Nutice of Allowance maited November 22, 2005

REMARKS

Initially, it requested that this amendment be entered inasmuch as it has been filed prior to the payment of the issue fee and because it does not change the scope of the allowed claims.

In the notice of allowance mailed 11/22/2005, claims 6-21, 23 and 47-67 have been allowed following an Examiner's amendment on 14 November 2005.

By this paper, claims 7, 9, 51 and 53 have been amended to fix a minor informality by changing the term "comprises" to "comprising." This term appears to have been inadvertently changed following the latest amendment. The amendments made by this paper do not change the scope of the claims.

In the event that the Examiner finds remaining impediment to a prompt allowance of this application that may be clarified through a telephone interview, the Examiner is requested to contact the undersigned attorney.

Dated this | day of December, 2005.

Respectfully submitted,
